

Pyar samunder se hai gahra
Isme kahin hum dub na jaye
Dil chahe tufan se khele
Sahil par vapas na aaye

Ae sagar ki laheron
Hum bhi aate hai thahero
Ae sagar ki laheron
Hum bhi aate hai thahero
O sahil sahil manzil
Manzil humko le chalo
Eye sagar ki lahero
Ham bhi aate hai thahro
Eye sagar ki lahero
Ham bhi aate hai thahro

Jaisa betab ye ek dil nadan hai
Dekhe aisa kahin koi tufan hai
Jaisa betab ye ek dil nadan hai
Are dekhe aisa kahin koi tufan hai
La la la la..la la la la
Basti basti kashti
Kashti humko le chalo
Ae sagar ki laheron
Hum bhi aate hai thahero
O sahil sahil manzil
Manzil humko le chalo
Ae sagar ki laheron
Hum bhi aate hai thahero
Ae sagar ki laheron
Hum bhi aate hai thahero

O meri maheub sa
Kya hai koi hasin
Ho mere dildar sa
Aashiq koi nahi
O meri maheub sa
Kya hai koi hasin
Ho mere dildar sa
Aashiq koi nahi

La la la la..la la la la
Sehra sehra dariya
Dariya humko le chalo
Ae sagar ki laheron
Hum bhi aate hai thahero
O sahil sahil manzil
Manzil humko le chalo
Ae sagar ki laheron
Hum bhi aate hai thahero
Ae sagar ki laheron
Hum bhi aate hai thahero

Ye duniya chhod ke
Rah jaye hum wahan
Hum dono ke siwa
Koi na ho jahan
Ye dunia chhod ke
Rah jaye hum wahan
Are hum dono ke
Siwa koi na ho jahan
La la la la..la la la la
Chalte chalte raste
Raste humko le chalo
Ae sagar ki laheron
Hum bhi aate hai thahero
O sahil sahil manzil
Manzil humko le chalo
