

## Afreen Song Lyrics

---

Main te mera mahi dovein patte haan paan de  
Dunia haan ik duje di dunia hi jaan de  
Main te mera mahi

Meetha saa naam tera baaton mein aa gaya  
Mera naseeb tere haathon mein aa gaya  
Yaara oh yaara tu saanson mein aa gaya

Chum chum ke taliyan teriyan mathe nu lavangi  
Torhan je dil kade vi narkan nu javangi

Tumse main kya mila ulfat ko ja mila  
Sufi ko raat mein jaise khuda mila  
Tumse hi bichda tha main  
Tumse hi aa mila

Nazran de taare tere afreen lagde ne  
Jaise dargah vich deeve lagda do jagde ne

Main te mera mahi dovein main te mera mahi  
Main te mera mahi dovein patte haan paan de  
Dunia haan ik duje di dunia hi jaan de  
Main te mera mahi

Zindagi hai be-mzaa jaise kora safa  
Tumse hain raunkein warna sab kham-kha  
Kuch bhi na yaad hai mujhko tere siva

Singhjeet paalu teriyan peerha vi reejh naal  
Aashiqui mainu teri ho gi har cheez naal

Main te mera mahi dovein main te mera mahi
