

Agar hum kahen aur woh muskraden  
Agar hum kahen aur woh muskraden  
Hum unke liye zindgani luta de

Har ik mod par hum ghamon ko saza de  
Har ik mod par hum ghamon ko saza de  
Chalo zindagi ko mohabbat bana de  
Har ik mod par hum ghamon ko saza de

Agar khud ko bhule to kuch bhi na bhule  
Agar khud ko bhule to kuch bhi na bhule  
Ke chaahat mein unki khuda ko bhula de  
Agar hum kahen aur woh muskraden

Kabhi gham ki aandhi jinhe chhu na paaye  
Kabhi gham ki aandhi jinhe chhu na paaye  
Wafa ke hum wo nashe-man bana de

Qayamat ke deewaane kehte hai humse  
Qayamat ke deewaane kehte hai humse  
Chalo unke chehre se parda hata de  
Har ik mod par hum gamon ko saza de

Saza de silaa de bana de mita de  
Saza de silaa de bana de mita de  
Magar wo koi fiaslaa to suna de  
Wafa ke hum wo nashe-man bana de.
