

Agar main tum se puchhu,
Phool kya kehate hain
Tum bata paaoge,
Kya bata paaoge

Agar main tum se puchhu,
Phool kya kehate hain
Tum bata paaoge,
Kya bata paaoge
Aur jo tumase puchhu
Panchchhi kya gaate hai
Tum ga paaoge bolo kya gaaoge
Tumane dil se suna hai kya,
Kabhi dil se suna hai kya
Agar main tum se puchhu,
Phool kya kehate hain
Tum bata paaoge, kya bata paaoge

Kya hawa kehate hai apani jhonko se
Kya nadi kehate hai behate paani se
Kyun na kar le baatein hum hawaao se
Kyun na puchhe hum uss behate paani se
Kahaan se aata hai kahaan woh jaata hai
Tum bata paaoge, kya bata paaoge
Agar main tum se puchhu,
Phool kya kehate hain
Tum bata paaoge,
Kya bata paaoge

Kitani gehraayi hai aasmaano mein
Kitani sundarata hai inn najaaron mein
Are bhul kar toh dekho apane ghum saare
Dhund lo khushiya tum apane jivan mein
Yeh saari khushiya jo tumhe bulaati hai
Unhe pehchaano toh
Kaise pehchaanoge
Agar main tum se puchhu,
Phool kya kehate hain
Tum bata paaoge,
Kya bata paaoge

Aur jo tumase puchhu
