

Agar saj chheda taraane banenge  
Agar saj chheda taraane banenge  
Taraane banenge, taraane banenge  
Taraane bane toh fasane banenge

Fasane bane toh sunegee yeh mehfil  
Sunegee yeh mehfil badee hogee mushkil  
Nigaaho ke ham tum nishaane banenge  
Ke rusawayeeyo ke  
Ke rusawayeeyo ke bahane banenge  
Agar saj chheda taraane banenge

Bahaano se fir toh mulakaat hogee  
Yu hee din katega basar rat hogee  
Naye dost ek din puraane banenge  
Mohabbat me do dil  
Mohabbat me do dil deewane banenge  
Agar saj chheda taraane banenge

Deewano pe hasata hai sara jamana  
Jamana mohabbat kaa dushman puraana  
Deewane nahee ham sayane banenge  
Sayane nahee ham  
Sayane nahee ham deewane banenge  
Agar saj chheda taraane banenge  
Taraane banenge, taraane banenge  
Taraane bane toh,  
Taraane bane toh fasane banenge  
Agar saj chheda taraane banenge.
