

Age 19 Song Lyrics

Jass manak mera bhai
Billboard te....!
Gully gang bill, bill billboard
Deep jandu...! ghu-ghum de aa
Hindustan...!, hindustan...!

Ho billboard te ghum de aa
Uth ke pind deya raha cho
Tu manak manak kardi hai

Nai nikale jatt tere saha cho
Ho billboard te ghum de aa
Uth ke pind deya raha cho
Tu manak manak kardi hai
Nai nikale jatt tere saha cho

Ho nai bakiya wargi soch meri
Kithe tai approach meri
Je main das dava tu sohna ni
Na karea kar tu maan kude
Age 19 munde di
Alraah di kad di jaan kude
Ho age 19 munde di
Alraah di kad di jaan kude

Chal aaja jhoom mera bhai, bhai
Chal aaja jhoom mera bhai
Chal aaja jhoom mera bhai, bhai
Chal aaja jhoom mera bhai
Oh kithe baar sade tu sehne ne
Kithe baar sade tu sehne ne
Ho sade kina na uthne behne ne
Sade kina na uthne behne ne
Oh kithe baar sade tu sehne ne
Sade kina na uthne behne ne
Oh mera search kari na google te
Na hosh kabu wich rehne ne
Ho jatt live ho ho ke bukh da nai

Chandigrah ja luk da nai
Ho kade samne aa tainu dasage
Kime ghumi da hik tan veere

Age 19 munde di
Alraah di kad di jaan kude
Ho age 19 munde di
Alraah di kad di jaan kude

Deep jandu....!, gully boy....!

Suraj ki kirno sa nadio se gehra
Ye hawa mein beh raha
Bhatakta kya khawb hai jo mera
Ye sapna, ye shaitani chehra
Ye dil se jo sona, srif ghar me sokka
Na jaage na sota, na hasta na rota
Kyu main hi anokha, kyu man iklauta
Usne hai dekha, jo mujh me ye saupa hai
Pura bharosa ye kashti na dube
Na andhi ya toofan
Gully gang...!
Aa nas mein in dus mere
Himaal ki chataan se nikle ye kash mere
Sab tere sach hote
Kasme tab bas mein rakh kuch tu

Ho bhawe top te kaam kar badde ni
Ho bhawe top te kamkar badde ni
Ho par yaar purane chadde ni
Ho par yaar purane chadde ni
Ho bhawe top te kaam kar badde ni
Kade yaar purane chadde nai
Naara te kara piche bahut mere
Par hath kise agge adde ni

Ho dekhi dhunda patt diya aun giya
Range an porsche aan jatt diya hon giya
Oh wich baitha hou tera manak ni
Aau door khadi nu pashaan kude

Age 19 munde di
Alraah di kad di jaan kude
Ho age 19 munde di
Alraah di kad di jaan kude

Deep jandu!
