

Agni Lyrics

Glock glock she be loading the fire
Knock knock she be kickin' the vibe
No stop she be winning the game
We goin' around saying

Glock glock she be loading the fire
Knock knock she be kickin' the vibe
No stop she be winning the game
We goin' around saying

Tu hi toh agni hai re
Tujhse hi agni jale
Tu hi toh agni hai re
Tujhse hi agni jale

A storm is incoming the alpha omega
There ain't no one greater so hold on tight
You better run if she's coming
Yeah she's on a mission to shoot on sight

So tell me who dares
To stand up and look in the eye of the tiger
Who's there
She move like a weapon the queen of the jungle
Who cares?
She's breakin' the chains and you're goin' under

She be ready now and she gon' run the town
So tell the world that they gotta bow down
You're looking at fire and rage
Now feel the heat coming your way
No stoppin' we're picking the pace
So welcome to the alpha gang

You're looking at fire and rage
Now feel the heat coming your way
No stoppin' we're picking the pace
So welcome to the alpha gang

We gonna rock it and no one can stop it
Cause i'm bout to beast up and go
Load out the ammo we're squading it up
Cos we bout to show up slow mo
Alpha

I know you're gettin' it now

Tu hi toh agni hai re
Tujhse hi agni jale
