Moti moti gaani jinna tu jach gayi
Enni jyada jachhi naa koi sheh jattiye

Ah jattiye beh jattiye
Teinu dil di deni aa kuch keh jattiye
Aa jaa jattiye beh ja jattiye
Teinu dil di deni aa gal keh jattiye

Tera phoolan jeha rang
Utto sadgi te sang
Taa hi aa gayi ae pasang
Gal sun jattiye

Tu boldi ae jidda
Teri ankhian da kidda
Assi bachiye vi kidda
Dass hun jattiye

Tu kar de kamal sadda chal jaave maal
Kar de kamal sadda chal jaave maal
Hoya bura haal seh seh jattiye

Ah jattiye beh jattiye
Teinu dil di deni aa kuch keh jattiye
Aa jaa jattiye beh ja jattiye
Teinu dil di deni aa gal keh jattiye

Tohnu dil de deyanghe seena chir ke vicho
Saddi rooh kadd lay ge oo shareer de vicho
Assi tere naal khichi tasveer supne ch
Saanu heer disdi aa tasveer de vicho

Teinu mere naal milake assi katthe ho jaana
Mere naal milake assi katthe ho jaana
Tere mere cho muka ke main main jattiye

Ah jattiye beh jattiye
Teinu dil di deni aa kuch keh jattiye
Aa jaa jattiye beh ja jattiye
Teinu dil di deni aa gal keh jattiye

Mann jaa ni mann jaa ni main bana ke rakhu raani
Mere naal call utte bani reh jattiye
Aa vi kehnda teinu nikka chann tere agge fikka
Sattho khullian tareefan leh leh jattiye

Ah jattiye beh jattiye
Teinu dil di deni aa kuch keh jattiye
Aa jaa jattiye beh ja jattiye
Teinu dil di deni aa gal keh jattiye
