

Usne jab mujhse kiya ahede wafa aahista  
Usne jab mujhse kiya ahede wafa aahista  
Dil ke virane mein ik phool khila aahishta  
Usne jab mujhse kiya ahede wafa aahista  
Dil ke virane mein ik phool khila aahishta  
Usne jab mujhse kiya ahede wafa aahista

Maine mana tu masiha hai siba batega  
Maine mana tu masiha hai siba batega  
Mere zakhmo ko magar hath laga aahishta

Mere zakhmo ko magar hath laga aahishta  
Dil ke virane mein ik phool khila aahishta

Aaj ki sab main paresha hoon bahut tanha hoon  
Aaj ki sab main paresha hoon bahut tanha hoon  
Aye saba uski koi baat suna aahishta  
Aye saba uski koi baat suna aahishta  
Dil ke virane mein ek phool khila aahishta  
Usne jab mujhse kiya ahede wafa aahista

Teer bhi hai meri kismat to bujha de aankhe  
Teer bhi hai meri kismat to bujha de aankhe  
Chodna hai to mujhe chod ke ja aahishta  
Chodna hai to mujhe chod ke ja aahishta  
Dil ke virane mein ek phool khila aahishta  
Usne jab mujhse kiya ahede wafa aahista
