

Ahista ahista mehfilein meri  
Suni ho gayin kho gayin  
Zamana tha thi roshini  
Ab sayon mein hai  
Guzri ek shaam phir  
Tanha meri thi woh  
Ahista ahista sab  
Sab gaye sang chhod ke  
Yeh raahein hui kab juda  
Naa jaane kis mod pe  
Ek lamha bhi na mila  
Keh paate kuchh hum  
Aur yeh sab hua ahista ahista

Ahista ahista ab hoke tanha  
Main hoon aur  
Zindagi khamoshi ki o  
Ahista ahista sab  
Sab gaye sang chhod ke

Yeh raahein hui kab juda  
Na jaane kis mod pe  
Ek lamha bhi na mila  
Keh paate kuchh hum  
Aur yeh sab hua ahista ahista

Ahista ahista guzra hai ghar  
Bikhri hain tukdon  
Mein ab yaadein teri  
O ahista ashita sab  
Sab gaye sang chhod ke  
Yeh raahein hui kab juda  
Na jaane kis mod pe  
Ek lamha bhi na mila  
Keh paate kuchh hum  
Aur yeh sab hua ahista ahista.
