

# Ain't Nobody Gangsta Lyrics

---

Aint nobody gangsta jab hum away h form m  
Badengay tere gaam m vajan bada h naam m  
Life h mari desi dikhe na instagram pe  
Hip hop mere khoon m up-14 se bombay

Janey h sarey londay na dakhla diyo kaam m  
Ye overrated rapper na khade kar mere samne  
Too real for this world you can call me mr kanye  
Call me mr kanye call me me kanye

Aint nobody gangsta jab hum away h form m  
Hum voh londay up se jo hilaway akey bombay  
Ve janey mera future but h past mera mystery  
Jaakey dekh record m h kon puch history

Roz raat baney jashan har din lagey victory  
H top notch company bus lagey we the big three  
Ego thodi kam yaha pe ego vese he bhut h  
Ye gardan nahi jhukti chahe khadi shami maut h

Area m yaha regular he baje gunshot h  
Hmara ana jana har jagah boycott h

Mind m chaley bhut zyada intrusive thoughts h  
I feel like a warrior i feel like m godse

Yaad krna chahta ni me zindagi m hadse  
Bus takat aur wafadari mangta m god se  
Galat karam karney padey chalta ni ghar job se  
Log nazar rkh ke bethe mujpe leke angle top se

So aint nobody gangsta jab hum away h form m  
Badengay tere gaam m vajan bada h naam m  
Life h mari desi dikhe na instagram pe  
Hip hop mere khoon m up-14 se bombay

Janey h sarey londay na dakhla diyo kaam m  
Ye overrated rapper na khade kar mere samne  
Too real for this world you can call me mr kanye

Call me mr kanye call me me kanye

Seeney me zakham dard h aag h raag h  
Jungle h raaj toh loday hum baagh h  
Kabhi na pada charitr pe daag h  
Pichey h devta galey m naag h

Nonstop unlimited target  
Gudaaa h kaley me hilaney ka market  
Muh pe ye humble h pichey ye narcist  
Online badey lagey height h 4 feet

Ye khud he bichatey apna red carpet  
Khud he gano me khudi ke khuda h  
Khudi ka interview khud he ye chuda h  
Sabhi k khaas ye sabhi se judaa h

Mujhe bachpan me tofey kala mili  
Meri kisi se koi na salah mili  
Mene manga jo pyaar toh sazaaa mili  
Hum jhuk ke miley humey daga mili

Toh ab chodaa seena chaati badi  
Ghumey leke kaali gadiii  
Switch off kr di mene budhi  
Lengay apna badla khud he

Dharti mata mangey shudhi  
Agreesive londay hum ziddi  
Dholi khesi kaali hoddie  
Gurjar gang purey aibi

Aint nobody gangsta jab hum away h form m  
Badengay tere gaam m vajan bada h naam m  
Life h mari desi dikhe na instagram pe  
Hip hop mere khoon m up-14 se bombay

Janey h sarey londay na dakhla diyo kaam m  
Ye overrated rapper na khade kar mere samne  
Too real for this world you can call me mr kanye  
Call me mr kanye call me me kanye
