

Haan...

Billori nigaahon se kare hai sau ishaare  
Khidki ke neeche naaspeeta seeti maare  
Billori nigaahon se kare hai sau ishaare  
Khidki ke neeche naaspeeta seeti maare

Ishq mein hua hai thoda andha thoda behra  
Saiyan mera aira gaira natthu khaira

Phool sa chehra Irani  
Aur leheza Hindustani  
Jheel si teri aankhon mein  
Ek halchal hai toofani

Aa...

Dekh mehfil mein aaye hain  
Jaan ki dene kurbaani  
Ek mehbooba ki khaatir  
Aag do do dilbar jaani

Jinke dil ke engine tere 'tation pe hai thehra  
Ho.. jinke dil ke engine tere 'tation pe hai thehra  
Samjhe kaahe aira gaira natthu khaira aa..  
Samjhe kaahe aira gaira natthu khaira

Raat leke aayi hai jashntaari  
Aaye haye haye  
Kaam ghalat karne ki hai  
Apni baari aaye haye haye

Raat leke aayi hai jashntaari  
Aaye haye haye  
Kaam ghalat karne ki hai  
Apni baari aaye haye haye

Aaj naache gaayein  
Zara ishq vishq farmaaye

Aur jaan jalaane bhaad mein jaaye saari  
Duniya daari aaye haaye haaye..

Oye hoye hoye hoye

Ho dil ke aaine mein jhaanke sundari ka chehra  
Ho dil ke aaine mein jhaanke sundari ka chehra

Ishq mein hua hai thoda andha thoda behra  
Saiyan mera aira ghaira natthu khaira  
Saiyan mera aira ghaira natthu khaira  
Saiyan mera aira ghaira natthu khaira

Billori nigaahon se kare hai sau ishaare  
Khidki ke neechे naaspeeta seeti maare  
Billori nigaahon se kare hai sau ishaare  
Khidki ke neechे naaspeeta seeti maare

Ishq mein hua hai thoda andha thoda behra  
Saiyan mera.. saiyan mera..  
Saiyan mera aira ghaira natthu khaira  
Saiyan mera aira ghaira natthu khaira

O.. waqt ka yeh sitam hai  
Tumhaare toh hum hain  
Tum agar ho amaanat kisi aur ki  
Bas mohabbat tumhari hai dualat humari  
Tum agar ho virasat kisi aur ki  
Jis din nikle jaan humari  
Ik baar milne aana tum leke  
Ijazat kisi aur ki  
Leke ijazat kisi aur ki.
