

Dil pe waar hota hai,
Phir ikraar hota hai
Tanhaayi mein rote hain,
Jinako pyaar hota hai

Aisi waisi baat nahin,
Chhoti moti baat nahin
Yeh toh mohabbat hai,
Yahi ibaadat hai
Aisi waisi baat nahin,
Chhoti moti baat nahin
Yeh toh mohabbat hai,
Yahi ibaadat hai
Aankhon ke raste se
Dil mein utarkar dil kho jaata hai
Nind udd jaati hai pyaar ho jaata hai
Aisi waisi baat nahin,
Chhoti moti baat nahin
Yeh toh mohabbat hai,
Yahi ibaadat hai

Kabhi yeh pyar hai resham
Kabhi khushbu kabhi mausam
Kabhi shola kabhi shabnam
Kahin sargam kahin sangam,
Kahin pritam kahin hamdam
Isise tum isise hum
Chaahat ke rishte ka jo naam
Rakh do wahin ho jaata hai
Aankhon ke raste se dil mein
Utarkar dil kho jaata hai
Nind udd jaati hai pyaar ho jaata hai
Aisi waisi baat nahin,
Chhoti moti baat nahin
Yeh toh mohabbat hai,
Yahi ibaadat hai

Dhadak uthata hai chhum chhum
Jubaan chup chup najar gumsum
Yeh chaahat ki nishaani hai

lyrics

Ise aankhein sunaati hai
Ise aankhein samajhati hai
Yeh aankhon ki kahaani hai
Baahon ki raahon mein koyi
Deewaana jab kho jaata hai
Aankhon ke raste se
Dil mein utarkar dil kho jaata hai
