Lishkangi na tauba tauba  
Tujhsi kahin na tauba tauba

Tu mera naam le, o mere manchale  
Tu bada tezz hai, tu rangrez hai  
Tu mujhe thaam le, o mere manchale  
Baahon mein aa aur mera ho ja

Tera ang-ang o husn pari  
Fursat ke sath hai banaya aiyla  
Teri shaakh-shaakh pe kudrat ne  
Makhmal ka phol khilaya  
Dil mera tujhpe aya  
Mujhpe hai tera saaya  
Ab tu meri ho ja, kyun tadpaya?  
Main tere khwaabon ka hoon shahzada  
Teri meri yaari to hai barson purani  
Main hoon dariya aur tu hai paani  
Aa phir mil mil jaayein hum  
Dhadkanein milein julein

Mere man la

Yei yeah!  
Banke doodh aur chandan main  
Tan ko tere chhoo loonga  
Khushbu leke tere tan se re  
Phoolon ko de doonga  
Mehak tu banke bagiya  
Bholi si chidiya  
Nagar nagar mehkaaya  
Yeh dil behkaaya

Subah ko tere hi  
Rangon se hai dhoop chadhti  
Tara tara yaara maange aake  
Tujhse hi apni roshni khili  
Aise meri chaahaton se  
Jaaye tu to nikhar

Ab to kidhar kis-se pukaarun  
Khud ko hawa mein saans maarun  
Kaash kabhi aisa bhi ho  
Tujh sang zindagi main ghuzaarun  
Tujhko hi pehli maar daalun  
Na kabhi aisa bhi ho  
Tu badi reshmi, tu badi malmali  
Tu badi narm si, tu badi makhmali  
Tujhe tha paana, tu kahan kyun chali  
Thehar to jaan ho ji meri.
