

Dil nu main rokeya te tokeya hazaar baar,
Tere piche aunda bas kari jaave tainu pyar,
Tainu main soniye ni apna bana leya,
Dil wich tainu ni main apne chupa leya,

Sari main dasti par manndi ni gall tu,
Dil nu samjhawan kiven dasdi ni hal tu,
Tu billo jaan meri tuiyo karaar hai,
Kiven dassan main tainu tera intzaar hai,

Aja ni aja soni tere wargi ni honi,
Dil tainu pyar karda eh bas tere te marda,
Tere ikraar piche tere intzaar piche,
Dil main khoyi baitha billo tere pyar piche,

Aja ni aja soni tere wargi ni honi,
Dil tainu pyar karda eh bas tere te marda,
Tere ikraar piche tere intzaar piche,
Dil main khoyi baitha billo tere pyar piche,

Vekh laye tainu fer hor na koi jachda,
Tu ki jaane ae tere utte kinna marda,
Bahuta ni mangda par inna k bannda,
Naseeban wich tainu rab kyun ni likhda,

Je tu meri ae fer doori kis gall di,
Ishq ch zindagi na langge ik pal vi,
Dardan nu sehna ae fer mull paina ae,
Ya tere bin saari umar main rehna ae,

Aja ni aja soni tere wargi ni honi,
Dil tainu pyar karda eh bas tere te marda,
Tere ikraar piche tere intzaar piche,
Dil main khoyi baitha billo tere pyar piche,

Aja ni aja soni tere wargi ni honi,

Dil tainu pyar karda eh bas tere te marda,
Tere ikraar piche tere intzaar piche,
Dil main khoyi baitha billo tere pyar piche,

Dil di gal hunn kinnu main sunawan,
Tu te sathon door kiven tainu main manawan,
Anh billo kinna tainu chawan tainu dooriyan dikhadan,
Tere layi main gaane gawan,

You just need to tell me what you looking for,
Trying to stay friends but we both know it should be more,
Yeah..it's in your eyes i can see it you can try to deny,
But the lies can't believe it,

And i dreaming of you when i'm sleeping,
Can't even take a break on the weekend that's the reason,
I bring up your name is every conversation when i'm speaking,
Come'n face it rehn de how can you say rehn de,
Looking like a fool for you i don't care loki ki kehnge,

So many men shine but they need to give it all,
I ain't got a frag par yaar tera ghat nayi,
Huh..ohna nu jawab das deyin,
Than meri labh leyin te naal mere nach leyin,

Do pal di dooriyan ya teri majbooriyan,
Ajj gallan kar layi koi chaddi na adhooriyan,
Yun tan pata ae sanu tu vi sathon mardi,
Sochan fer kis gallan roz hi mukardi,

Kamla jeya dil mera piche tere la leya,
Kade tu dil na ditte kade aazma leya,
Dawa ni lagdi te zakhm ni bharde,
Peeni hove tan mukh tere wal takde,

Aja ni aja soni tere wargi ni honi,
Dil tainu pyar karda eh bas tere te marda,
Tere ikraar piche tere intzaar piche,
Dil main khoyi baitha billo tere pyar piche,

Aja ni aja soni tere wargi ni honi,
Dil tainu pyar karda eh bas tere te marda,
Tere ikraar piche tere intzaar piche,
Dil main khoyi baitha billo tere pyar piche.
