

Aji awo aji awo mohabbat ki khale kasam  
Hamre raho tum tumhare rahe ham  
Aji awo aji awo jawani ki khale kasam  
Hamre raho tum tumhare rahe ham  
Aji awo

Jis nagar mein naiya  
Hamri bahe re hamari bahe re  
Jis dhara mein duniya  
Ye sari bahe re ye sari bahe re  
Us dhara mein ghul mil ke bahe ham  
Hamre raho tum tumhare rahe ham  
Aji awo aji awo mohabbat ki khale kasam  
Hamre raho tum tumhare rahe ham  
Aji awo

Husan bole main bole  
Papiha ho papiha piya ho  
Jis boli mein dhadke  
Hamara jiya ho, hamara jiya ho  
Us boli mein ho us  
Boli mein kano mein tumko kahe ham  
Hamre raho tum tumhare rahe ham  
Aji awo aji awo mohabbat ki khale kasam  
Hamre raho tum tumhare rahe ham  
Aji awo

Chahe paschim se suraj nikalne lage  
Chahe chanda bhi garam balne lage  
Chahe paschim se suraj nikalne lage  
Chahe chanda bhi garam balne lage  
Ye ulfat hamari kabhi ho na paye kam  
Hamre raho tum tumhare rahe ham.
