Didar se jayda maja intjaar ka
Aji rahane do chanda badale me
Aji rahane do chanda badale me

Kuch tum tarso kuch hum tarse
Dil dadke apna thadpe
Kabi iss karvat kabi us karvat
Kabi iss karvat kabi us karvat
Ye raat milan ki biti tp
Socho rang sajega khilega kitna
Pyar ka pyar ka
Didar se jayda maja intjaar ka haye
Didar se jayda maja intjaar ka
Aji rahane do chanda badale me

Chodh bhi do,ab tod bhi do
Chodh bhi do,ab tod bhi do
Ye juthe filmane
Varna kya aanke ke sochenge
Meri aanko ke may khane
Aaj ki raat na hasil ho
Aaj ki raat na hasil ho
Apna apna hasil ho
Ikrar se pahle rang jame
Inkar ka,inkar ka
Aji rahane do chanda badale me
Aji rahane do chanda badale me

Kuch ankk kahe kuch din bole
Oh raat jawa hole hole
Jab nach nach ke tak
Jaye ye gunguru payal ke
Oh ban ke sahara le lu dildar
Didar se jayda maja intjaar ka
Aji rahane do chanda badale me
Aji rahane do chanda badale me
