

Tumhe to thik se tarif karna bhi nahi aata
Kahi nazar na lag jaye

Aji tum kitne hasin ho
Ye mere dil se to puchho
Aji tum kitne hasin ho
Ye mere dil se to puchho

Ye nazar kitni hai katil
Kisi bismil se to puchho
Aji tum kitne, aji tum kitne hasin ho

Ye mere dil se to puchho
Ye nazar kitni hai katil
Kisi bismil se to puchho
Aji tum kitne

Kahi jo sath hote
Husn tera or sabab apana
Jamana dundhta rahta
Na milta fir jawab apna

Nahi to kis liye pyare ye nigahe jo uthi hai
Nahi to kis liye pyare ye nigahe jo uthi hai
Mere chehare se machal kar
Tere chehare par ruki hai

Mere chehare se machal kar
Tere chehare par ruki hai
Aji tum kon kya ho jara mehfil se to puchho

Aji tum kon kya ho jara mehfil se to puchho

Aji tum kitne hasin ho
Ye mere dil se to puchho
Ye nazar kitni hai katil
Kisi bismil se to puchho
Aji tum kitne

Aa jati bijliyo tute
Uthayi kaun mahfil se

Jigar me aag si bhadki
Dhua uthne laga dil se

Koi kahta hai thahar ja
Are katil are katil
Koi kahta hai thahar ja
Are katil are katil

Kisi lab par ye sada hai
Mera dil haye mera dil
Kisi lab par ye sada hai
Mera dil haye mera dil

Uthi hai kaisi kayamat
Jara mahfil se to puchho
Jara mahfil se to puchho

Aji tum kitne hasin ho
Mere dil se to puchho
Ye nazar kitni hai katil
Kisi bismil se to puchho
Aji tum kitne.
