

Shuru...

Jo akh lad jaave
Saari raat neend na aave
Meinu bada tadpaave
Dil chain kahin na paave paave paave

Jo akh lad jaave
Saari raat neend na aave
Meinu bada tadpaave
Dil chain kahin na paave paave paave

Haan haan...

Khann khann khann khann choodi
Teri khann khann khann khann khanke re
Khann khann khann khann khanke aah!
Vekh vekh ke chehra
Mera dil yeh dhak dhak dhadke re
Dil yeh dhakk dhakk dhadke

Tarsaave, tere bin yeh reh na paave
Maahi jo tu na aave aave aave...

Akh lad jaave
Saari raat neend na aave
Meinu bada tadpaave
Dil chain kahin na paave paave paave

Eh eh eh!
Le gayi meri jaan, haan teri ek look
Badshah ke gaane ki jaise koi hook
Dekh ke chandaa vi gaya tujhe chhup
Baat meri sunn baby bilkul chupp

Le gayi meri jaan, haan teri ek look
Badshah ke gaane ki jaise koi hook
Dekh ke chandaa vi gaya tujhe chhup
Baat meri sunn baby bilkul chupp

Main baawli hoon teri

Tu jaan hai naa meri
Bas pyaar hi hai maanga
Kis bata ki hai deri

Main baawli hoon teri
Tu jaan hai naa meri
Bas pyaar hi hai maanga
Kis bata ki hai deri

Aaja chal tu mere saath yaara chal tu
Yeh raat kabhi naa aave aave aave...

Akh lad jaave
