

Oh billi billi akh teri sohniye
Jandi ai yaaran de dukh tod di
Putt patt ke begana patt honiye
Hun kaahto firein mukh mod di
Oh billi billi akh teri sohniye
Jandi ai yaaran de dukh tod di
Putt patt ke begana patt honiye
Hun kaahto firein mukh mod di

Pehla nain je mila ke ni
Mere nede nede aake
Pehla nain je mila ke ni
Mere nede nede aake
Hun operi jehi hoke langhe kol di

Billi billi...

Kudiya da ghaata nhi
Main munda change ghar da
Rona ese gal da ki tere utte marda
Ban gayi ai sohniye tu jidd hun jatt di
Jidd poori krunga main himmat ni har da
Jodu tere naal dila wala jod ni
Billi billi akh teri sohniye
Jandi ai yaara de dukh tod di
Putt patt ke begana patt honiye
Hun kaahto firey mukh mod di

Tere naal ho gaya ai rai nu pyaar ni
Laike samrale tainu jauu tera yaar ni
Kaddan kadhaun waale
Kamm de main hakk ch nahi
Izzatan de naal jayun laike laava char ni
Mainu bahuteya hungameya di lod ni
Billi billi akh teri sohniye
Jandi a yaara de dukh tod di
