

Ishq ki aag bhi kya aag hai
Husn betab jalne ke liye
Aur jalke bhi ise chain kaha
Hai ye tayar aag mein milne ke liye

Nazar hai deewani umar hai deewani
Nazar hai deewani umar hai deewani
Kaha hai deewane idhar se jawaani
Jara mujhko tu sambhal re
Mere dil pe dhaka dhal re
Mere dil pe dhaka dhal re
Mere dil pe dhaka dhal re
Ya habibi ya habibi
Ya habibi ya habibi
Ya habibi ya habibi
Ya habibi ya habibi

Kyu ladaye chori chori aankhe
Kyu badaye dhire dhire bate
Utt rahe hai kaise kaise toofan
Mushkilo mein hai teri meri jaan
Jane jana kya chupana ishq ki bate

Ya habibi ya habibi
Ya habibi ya habibi
Ya habibi ya habibi
Ya habibi ya habibi

Ishq to hai sokh apna
Ishq ham farma rahe
Itne chehre is nazar me
Aa rahe aur ja rahe
Hai hajar pyare pyare chehre
Dil kahi pe aise kaise thahre
Kya hua hai jadu jadu mujhpe
Mar rahi hu haule haule tujhpe
Mitt rahi hu mai kasam se
Ishq me tere
Ya habibi ya habibi
Ya habibi ya habibi

Ya habibi ya habibi
Ya habibi ya habibi

Nazar hai deewani umar hai deewani
Nazar hai deewani umar hai deewani
Kaha hai deewane idhar se jawaani
Jara mujhko tu sambhal re
Mere dil pe dhaka dhal re
Mere dil pe dhaka dhal re
Mere dil pe dhaka dhal re
Ya habibi ya habibi
Ya habibi ya habibi
Ya habibi ya habibi
Ya habibi ya habibi.
