Kya hai ye duniya pasha yahan kya tera maqsad
Kya tera deen dharam hai kya tera mazhab
Kaiki hiris ye tuje kya teri hasrat
Kaiku hai somari tu kaisi ye ghaflat

Dhundra tu roshni par milra andhera na
Sabme ek hitler sabme ek nelson mandela yahan
Chodal bugeet pakadna, pakad umbrella
Aur tu banna toh charwaha bann, nakko ban chela

Dunya ka chaal chalan hai sahi nai
Inku daan dharam ki padi nai
Tu swami nai tu vali nai
Tu ram b nai tu ali nai

Tu om ya uski chavi nai,
Tu chaand b nai tu ravi nai
Tu dhool ka hai putla
Khaali baat ye kya b navi nai

Phir b samajh se sabki bahar
Inki talab hai shakti power
Bacche tadapko martin bahar tab bi
Salaam namaste haazar basti silagko jalti

Topi ya thi tilak ki galti
Roti darko sisakti bacchi
Kuttti kismat kidar phalat-ti
Kidar phalat-ti kidar phalat-ti kidar
Phalat-ti kidar phalat-ti kidar phalat-ti
