

Alam par alam,
Sitam par sitam
Ham uthaae hue hai
Zamaane ki garadish
Ke pise hue hai
Muqaddar ke hatho
Mitaae hue hai
Alam par alam,
Sitam par sitam
Ham uthaae hue hai

Na hamadam hai
Koi na damsaz koi
Na hamdaard
Koi na hamraaz koi
Faqat saath hai

Ik musibat hamaare
Kaleje se us ko lagaae hue hai
Alam par alam, sitam par sitam
Ham uthaae hue hai

Hai kisamat jo ulati,
Samajh bhi hai ulati
Nigaah bhi hai ulati
Har ik baat ulati
Nazar aati hai
Dushamani dosti mein
Jahaa bhar ko
Dushman banaae hue hai
Alam par alam, sitam par sitam
Ham uthaae hue hai.
