

Aleiba aleiba aleiba
Ba ba ba ba ba aleiba
Gora sa yeh badan
Are chum chum chum tu jara
Ang se lagaale tu apna bana le tu
Mujhako chura le tu aaja haay
Masti mein chur hoon,
Mithi khajur hoon
Khatta angur hoon aaja haay
Aleiba aleiba aleiba
Ba ba ba ba ba aleiba
Gora sa yeh badan
Are chum chum chum tu jara

Tujhko chura lungi chori se
Main aleiba aleiba aleiba
Bandhungi pyar ki dori se
Main aleiba aleiba aleiba
Had se main apni gujar jayunga
Aankhon se dil mein utar jaayunga
Baahon mein aao
Na mujhame samaao na
Mujhko tadpao na saajan ho
Tujhko na chodunga, dil se dil jodunga
Julfon se khelunga o jaanam
Aleiba leiba aleiba leiba aleiba aleiba
Gora sa yeh badan
Are chum chum chum tu jara

Milne lage jo badan se badan
Aleiba aleiba aleiba
Saanson mein pyar ki jagi agan
Aleiba aleiba aleiba aleiba
Aag aur pani ko mil jaane de
Hota hai jo bhi woh ho jane de
Tu kya samajhti hai mujhpe to marti hai
Duniya ki har ladki rojana
Ab toh raha na jaay, dard saha na jaaye
Masti si mujhpe chaye saajan
