Midh sappan diyan siriya vi uthe assi wattan toh
Zindagi di seep launi sikhi assi sathan toh
Midh sappan diyan siriya vi uthe assi wattan toh
Zindagi di seep launi sikhi assi

Ho fadd ke jahaajan diyan vaariyan
Aaye si ni kar ke teyaarian
Leadeya di thaa jo supne si baggan ch
Ajj bhatua ne saare piche laaye hoye aa

Ho chhaye hoye aa ni munde chhaye hoye aa
Chhotte ghar tang galian cho aaye hoye aa
Chhaye hoye aa ni munde chhaye hoye aa
Uth chhotte chhotte gharan vicho aaye hoye aa

Bhane shiftaan te jayi ae per jayi tohraan kadga
Ik ton ne ik poore shounk karde
Naa cutan plateya dass diyan cheek cheek ke
Kehrhe pind kerhe laane toh belong karde
Dollor ni khataya ch udd udd aaunde
Weekend utte kude mehfilan sajjaunde

Aythe bappu sirro put da ni chill mood chale
Othey put sirro bappu hori dhole diyan launde
Mehtar malwa doaba rehnde iko chhat thalle
Back yaard ch mahoul je banaye hoye aa

Ae chhaye hoye aa ni munde chhaye hoye aa
Chhotte ghar tang galian cho aaye hoye aa
Chhaye hoye aa ni munde chhaye hoye aa
Chhotte ghar chhotte pindan toh aaye hoye aa

Mehnge leerhe dil na bheede
Nita saaf subha de cheede
Akhan chaddiyan ne
Muchhan khaddiyan ne
Dekh ke uth pandi ae thook
Hatha vich tim hortan de cup

Ho guddian chadiya ne
Ho guddian chadiya ne

Dekh maavan deya puttan ne khushki aa chakkti
Pind firni te kothi kile vich gaddti
Daur mehnata da aaya lai ke oat babe di
Dhakke maar ke garibi saali gharo kaddti

Ho kavvy riyaaaz naal khada jassa jatt
Dirhbe wale de naal khada jassa jatt
Tayi dekhla khalaare je ni paaye hoye aa

Ho chhaye hoye aa ni munde chhaye hoye aa
Chhotte ghar tang galian cho aaye hoye aa
Chhaye hoye aa ni munde chhaye hoye aa
