

Khel ke dil nasheen maut bhi hai haseen  
Hai maza har gadi ab yahaan  
Kehta hai dil deewana hai dekho koyi anjaana  
Jaanbaazo ko hi kehta jahan  
All the best all the best  
All the best all the best  
Kitne yahan josh hai ab kahan hosh hai  
Din-ba-din badh raha yeh junoon  
Saason mein hai raftaare  
Jaane main ban haare  
Jaanbaazo ko hi kehta jahan  
All the best all the best  
All the best all the best  
Baby all the best very very best

Zindagi se maut tak aakhri har daud tak

Khel khele ek naya saath hum

Jaanbaazo ko hi kehta jahan

Yeh masti ka hai aalam

Jeene marne ka kya gham

Jaanbaazo ko hi kehta jahan

All the best all the best

All the best all the best

Very very best to you

All the best all the best

All the best all the best.
