

Allah bhi hai mallah bhi hai  
Allah bhi hai mallah bhi hai  
Kashti hai ki dubi jati hai  
Allah bhi hai mallah bhi hai

Ham dub toh jayenge lekin,  
Dono hi pe tohamat aati hai  
Allah bhi hai mallah bhi hai

Ik shama ghiri hai aandhi mein,  
Bujhati bhi nahi jalati bhi nahi  
Shamashire mohabbat kya kahiye,  
Rukati bhi nahi chalati bhi nahi  
Majabur mohabbat reh reh kar,  
Har sans thokar khati hai  
Allah bhi hai maulah bhi hai

Ek khwab nazar sa aaya tha,  
Kuchh dekh liya kuchh tut gaya  
Ek tir jigar par khaya tha,  
Kuchh dub gaya kuchh tut gaya  
Kuchh dub gaya kuchh tut gaya  
Kya maut ki aamad aamad hai  
Kya maut ki aamad aamad hai  
Kyun nind si aai jati hai
