

Jo bhee bura bhala hai allah janta hai  
Jo bhee bura bhala hai allah janta hai  
Bande ke dil mein kya hai allah janta hai  
Jo bhee bura bhala hai allah janta hai

Yeh farsh-o-arsh kya hai allah janta hai  
Yeh farsh-o-arsh kya hai allah janta hai  
Pardon mein kya chhupa hai allah janta hai

Jaakar jahaan se koi wapas nahin hai aata  
Jaakar jahaan se koi wapas nahin hai aata  
Woh kaunsi jagah hai allah janta hai  
Jo bhee bura bhala hai allah janta hai

Neki-badi ko apnee kitna hi tu chupaaye  
Neki-badi ko apnee kitna hi tu chupaaye

Allah ko sab pata hai allah janta hai

Ye dhoop-chaon dekho ye subah-shaam dekho  
Ye dhoop-chaon dekho ye subah-shaam dekho  
Sab kyon ye ho raha hai allah janta hai  
Jo bhee bura bhala hai allah janta hai

Kismat ke naam ko to sab jaante hain lekin  
Kismat ke naam ko to sab jaante hain lekin  
Kismat mein kya likha hai allah janta hai  
Jo bhee bura bhala hai allah janta hai.
