Paadalu ningi paidaaka pongene

Unnarante chalu
Janamunnarante chalu
Utsaaham veyyi retlai uppongene

Naatho paate aadukunte
Prathi manishi manasu
Chala telikayyene

Mana allarallari
em ayyindayya

Mana allarallari motha mogene
Mana allarallari motha mogene
Alla kalla kalla kallolamayyene
Mana allarallari motha mogene

Allari motha mogene
Mana allarallari motha mogene

Thaalam yedhoi raagam yedhoi
Thochinde cheseyyi nede
Ongongi nadicheste o vangiva kaada

Vaallevaru veellevaru
Mana sontha saakshyamouthunte

Mana allarallari...

Alla kalla kalla kallolamayyene

Mana allarallari motha mogene
Mana allarallari motha mogene

Anithaakuthu mrudhangulu moghe
Rama rama ani ninadham moghe
Koti nomula phalithale
Sreerama ante chale

Jai sreerama ante chale
Jai sreerama ante chale.
