Bharatlyrics.com
Idhi neeku kaanuke

Poovulo thenelaa
Premalo padinaava
Thenelo theepilaa
Thelisee adigaava

Gundepalli Ioni
Kondapalli bomma
Gunde dhaati vellake

Bondumalle nunchi
Thella rangu veedi
Velle roju raadhule

Allasani vari allika
Ee maata chaalika
Nannu kaachukunna sainika
Nee vente nenika..

Nee thodu unte chaale
Edhaina chesesthale
Kaagitham padavaina
Sandhraalu dhaatesthale

Edu rangula chandamama
Nuvvetta puttinaave
Edu vintale chinnaboye
Sarikotha vintha nuvve

Sipayi chethilo thupaki kuda
Intha pelchaledhe
Nee theepi maatala thootalu thaaki
Manasu thadusila thelipoye

Allasani vari allika
Aa manasu chaalika
Nannu kaachukunna sainika
Ee janma needhika..
