Allipoove enmaathanaye  
Ur kaalpattu malanatko  
Kurincricotte  
Kaayaam poove en ranthakame  
Uh vaai pesa monuketko  
Thiyilanckitte

Kotta madaya maskaiye  
Kandada ketkatramma  
Kattu kolaiyaa kathine  
Uraiyekantu vaitru pakintkamma

Kaaya poove en kavathaniye  
UN uayipesa  
Manukatha thiyallanakaette

Pennasi unatru kalalile  
Engaltka ulagara neelkinathe  
Uinudaiya nesrol trugada  
Neenalagal yengidutker

Mananasi valaiy oosausile  
Katrtrun kuyil koutkaa  
Krykutstke konumanu unathi
