

Almost Padipoyindhe Pilla Song Lyrics

Almost padipoyinde pilla pilla
Almost padipoyinde pilla pilla pilla

Sunure jaanu... Dhillu chejaarenu
Adhire kannu... Konte pilla, pilla
O, full moonu unna ne cloud nainu
Vodka wine'u... Nuvve pilla pilla

Hey, saawariya cheliya... Kontega navvesthunte
Naa dhuniya rendugaa ayipothunnaadhe
Nee maaniya saathiyaa mayalo manasu paddaanaa
Naalo ne lenaa

Almost padipoyindhe pilla
Chempaku pimple laa
Almost padipoyindhe pilla
Kallaku rey-ban laa

Almost padipoyindhe pilla
Mandhuku manching laa
Almost padipoyinde.... Pilla pilla pilla

Le le le maza... Le le le maza
Le le le maza, pilla jilla
Le le le maza... Le le le maza
Le le le maza... Pilla pilla jilla

Nee chutte thiruguthu karuguthu ipudu mari
Naa time'u chethike dorakatledhe
Nee venake urukulu parugulu peduthu mari
Naa heart vegame theliyatledhe

Rojokka season'u... Edho oo reason'u
Cheppesthu kapestunnaane
Nuvvunte rajunu... Nuvve oxygen'u
No ante no more... Ne ne, aa aa

Almost padipoyindhe pilla
Chempaku pimple laa
