---

Aur alpha q  
Aur alpha q

Kya tayyar hai tu baby  
Lagne waali hai jo aag  
Badi mushkil se bandi chhod aaya hoon  
Lagne bas tere hi haath

Haath tere maile  
Har jagah hai faile  
Mere haath ki safaai bhi tu aaj seh-le

Teri adaalat  
Mein meri bagaawat  
My lord main hoon god  
Sar jhuka daal le aadat

Soch band kamre mein tu  
Aur alpha q  
Aur alpha q  
Soch band kamre mein tu  
Aur alpha q

Alpha mera naam hai  
Baki sab tamaam hai  
Ho jao sab nange  
Yeh apna hi hamaam hai

Andheri raaston mein  
Khudaai hi khudaai  
Khudaai mein tu khud ko

Khone aaja mere bhai

Main tera khuda hoon  
Sar tere khada hoon  
Naanp le nazar se  
Main toh tujhse bada hoon
