---

Alupannadi unda  
Egire alaku edhaloni layaku  
Adhupannadhi undhaa  
Kalige kalaku karige varaku

Melikalu thirige nadhi nadakalaku  
Mari mari urike madhi thalapulaku

Alupannadi unda  
Egire alaku edhaloni layaku  
Adhupannadhi undhaa  
Kalige kalaku karige varaku

Naa kosame chinukai karigi  
Aakaashame dhigadha ilaku  
Naa sevake sirule chiliki  
Dhaasohame anadhaa velugu

Aaraaru kaalaala andhaalu  
Bahumathi kaavaa naa oohalaku  
Kalalanu thevaa naa kannulaku

Alupannadi unda  
Egire alaku edhaloni layaku  
Adhupannadhi undhaa  
Kalige kalaku karige varaku

Nee choopule thadipe varaku  
Emainadho naalo vayasu  
Nee oopire thagile varaku  
Etu unnadho merise sogasu

Ededu lokaala dhwaaraala
