

Apni palon mein sapne lapete hue
Saare armaan dil mein samete hue
Apni palon mein sapne lapete hue
Saare armaan dil mein samete hue

Chhod kar teri duniya ko main chala
Ab toh hai bas yahi mere dil ki sadaa

Alvida..alvida..alvida..alvida..
Alvida..alvida..alvida..alvida..

Gham ke taarikhiyon
mein kho rahi zindagi
Zindagi se judaa ho rahi zindagi
Tumhe mubarak do jahan ki khushi
Keh ke khuda hafiz so rahi zindagi

Chhod kar teri duniya ko main chala
Ab toh hai bas yahi mere dil ki sadaa

Alvida..alvida..alvida..alvida..

Lamha lamha tujhe yaad karte rahe
Ishq ki aag mein aise jalte rahe
Har qadam mera bas teri raahon mein tha
Naam lekar tera hum toh chalte rahe
Khatam hone ko hai ab safar ye mera

Apni palon mein sapne lapete huve
Saare armaan dil mein samete huve
Apni palon mein sapne lapete huve
Saare armaan dil mein samete huve

Chhod kar teri duniya ko main chala
