

Jag suna suna thahera thahera sa
Mera sapna apna gahera gahera sa
Jag suna suna thahera thahera sa
Mera sapna apna gahera gahera sa

Sare shahar ki jagmag ke bhitar hai andhera
Har muskan ke peechhe chhupa hua gham ka chehra
Yehi hai sach to harpal ko jee lu main jee bhar ke
Aur has has ke yeh keh dun dukho ke pathar se
Alvida.. Alvida.., alvida.. Alvida..

Koi waqt ke aage hara hara sa
Koi pyaar mein firta mara mara sa
Dil ke rishton mein kyon dard hamesha milta hai
Aur kyon kaanton par hi phool sukho ka khilta hai

Yehi hai sach to main iss sach ko hi apnaunga
Mar bhi jaunga to main pyaar amar kar jaunga
Alvida.. Alvida.., alvida.. Alvida..
Alvida.. Alvida.., alvida.. Alvida..

Zindagi na mil ajnabi banke
Zindagi na mil ajnabi banke
Bandagi shamil har dua banke
Bandagi shamil har dua banke
Zindagi na mil ajnabi banke
Bandagi shamil har dua banke.
