

Always On Time Lyrics

I keep waiting
Meri nazar mein nahi competition abhi bhi
And she keeps texting
So when are you coming back to me baby

I've been on the move main rukta hi kyun?
See i got a long way to go
Mat karo cross mujhay jahan se bhi karo
It's the wrong way to go

Main ne yaaron ke liye kya kuch nahi kiya
Abhi kaun ginay bro?
Main toh chahta hoon meri sohbat mein baithain
Yahaan aur winners bro

I know you lie through your teeth
They want me gone par main dheet
Raja ne kaha main hi agla raja
Toh sab se zaroori meri jeet

Woh chahtay hain dekhna mujhay meray ghutnon pe
I know that's all that you need
Zindagi movie meri jaisay kattar karachi
I give you good seats

Boys sit your ass down
Main hi hoon desi rap hall of famer
Jab main phenkun aag toh phir volcano
You don't have the balls meray jaisa likhnay ki

Teray paas jitnay ballpen hain they get rko'd
Jaisay orton ho main toh album phenkun bina bolay label ko
Tum chutiye labels ki call par ho
Sit your ass down!

Chamaatay parengay nahi toh phir maa kasam
Sit your ass down!
Next time you get up toh pehlay tu kha kasam
Kha kasam yeh sab nahi mujh se inspired

Kha kasam i never started this
Kha kasam yeh sab nahi mujh se inspired
Kha kasam i never started this

I keep waiting
Meri nazar mein nahi competition abhi bhi
And she keeps texting
So when are you coming back to me baby?
I keep waiting
Meri nazar mein nahi competition abhi bhi
And she keeps texting
So when are you coming back to me baby?

Always on time
On time
He is always on time
Time
On time

Launde scheme karain but they're harmless
Itnay gaanay likhun need an armrest
Feature baantun jaisay toffee aamrus
Ghari laakhon ki flow mera timeless

Hum toh rapper kha gaye jaisay jeff dahmer
And i might retire like an old-timer
Par jadon tak meray kol time hai
Main desi rap greatest of all time aan
It's that kattar karachi flow
Seedha johar se gulshan se seedha yeh ramswami

Murals banaatay hain fans meray
Teri do din ki mashhoori khamkha ki
Interviews mein baray shapatar banay
Aur studio mein aaye toh taang kaanpay

Yeh sab qudrat ki karni you can't stop it
Launde gangster rap karain xans kha ke
Security se bhir jaatay fans aa ke
Jab i walk in toh ho jaatay sab saakin

When i'm talking toh boy better stop talking
And i feel like jani karun jab lock-in
Paint a picture for you like i'm pablo

Teray ghar ke baahar hoon with my guns drawn
Jaa ke meri discography naap lo
Din nikal jaayega detay huay rundown
I run this town!

Kattar karachi jisko shak hai mil le woh behenchod
Standing on business with ten toes
Yeh quotables hain you can print those
Tu pebble hai i'm fred flintstone
Tu hitler hai bharway i'm winston
Main boss in the building tu intern

You wanted a problem that you couldn't handle
Ab aa gaye hilaanay hum system
Yeh album mode hai kisko smoke chahiye?
Kisko chahiye yeh risk ab?

And i'm at a point where i'll diss every motherfucker
Mujhay chahiye nahi list ab
Hai karam khuda ka ke haath nahi phailay
Dekh i'm putting my fist up
