

Aman kaa farishtaa kahaan jaa rahaa hai
Chaman ro rahaa hai machi hai duhaai
Chaman ro rahaa hai machi hai duhaai
Aman kaa farishtaa kahaan jaa rahaa hai
Chaman ro rahaa hai machi hai duhaai
Chaman ro rahaa hai machi hai duhaai

Kiyaa kaam aisaa ki halachal machaa di
Ye duniyaa jahannum thi jannat banaa di
Ye duniyaa jahannum thi jannat banaa di
Khichi aa rahi hai saari khudaai
Chaman ro rahaa hai machi hai duhaai
Chaman ro rahaa hai machi hai duhaai

Na ujdegi duniyaa kisi bhi dulhan ki
Na roegi raakhi kisibhi bahen ki
Na roegi raakhi kisibhi bahen ki
Juda ab na hoga bhai se bhai
Chaman ro rahaa hai machi hai duhaai
Chaman ro rahaa hai machi hai duhaai

Bahut der jaagaa thaa soyaa huaa hai
Aman ke khyaalo me khoyaa huaa hai
Aman ke khyaalo me khoyaa huaa hai
Ye kaisi muhabbat ye kaisi judaai
Chaman ro rahaa hai machi hai duhaai
Chaman ro rahaa hai machi hai duhaai

Ye jivan ki mazil pe chhuta hai hamase
Koi to manaao ye ruthaa hai hamase
Koi to manaao ye ruthaa hai hamase
Nazar mere baabu ko kisane lagaai
