

Amma Amma Ammaa Song Lyrics

Kannu mareya bahudu kandanannu
Karulu mareya bahudey thanna kusannu
Kannu mareya bahudu kandanannu
Karulu mareya bahudey thanna kusannu

Nija maadide neenu gaadeyannu
Ninnadendu konde nanna baadeyannu
Ninagaaru sari saati illa innu
Amma amma amma amma
Amma amma aaaa
Amma amma amma amma
Amma amma aaaa

E ninna kanda usiraadalu
Ninna biksheye karana
E dehavu andu nee needida
Nina dehada hooranna
Amma amma amma amma
Yaaradaru putta hasu kandane
Thaayendra edurali
Naanennuva garva endendigu
Ee garbada hangali
Amma amma amma amma
Amma amma aaaa
Amma amma amma amma
Amma amma aaaa

Mamakaarava thumbi yede haalali
Upakaarava maadide
Vatsalyava thumbi kai thullali
Ninnettara maadide
Amma amma amma amma
Nee needide thay nina amshava
Naanenanu needali
Neen allave brahma vishnu shiva
Ee jeevada gudiyali
Amma amma amma amma
Amma amma aaaa
