

Ammani Rukkumani Song Lyrics

Ammani rukkumani
Achchu vella lichi kani
Brammanae senju vachcha
Sokkathangam neeyaa

Soodu yethum bothkani
Suthurenandi unna ennai
Nenjukulla ottikittu
Enna kollathey

Enna mandhiram
En meala pootiyo
Oadodi vanthu
Ninnen pinnadiye

Summa beasithaan
Soodhaddi paakura
Neethanae machamulla killadiye

Sullaan manasa ne
Surutti surutti poriyee
Jodi poattu thaam
Kanavai vidhaichchu porriye

Kutti manasa nee
Irukki anachi poariye
Koolam poattu thaam
Kanavai vedhachu poariye

Hey kaiya kaala neeti
Ada emmealathan neeyum
Azhagellam alli kili aattam
Aadi sellaathe

Aa kanna moodinaalum
Kanavellam unna kaattum
Pasi aaraamalae
Thaandi enna poga sollaathae

Sellaathe un kitta
Mathavanga pasange
Komaali aanangale
Akkam paakam thaam
