

Ammaa, ammaa, tu kahaan gai ammaa
Bachapan meraa rotaa hai
Ammaa, ammaa, tu kahaan gai ammaa
Bachapan meraa rotaa hai

Mere laal kahaan hai tu
Mere laal kahaan hai tu
Kyun bichhad gayaa mujhase
Meri god tadapati hai

Meri god tadapati hai
Man meraa rotaa hai
Bhagawaan bhi sotaa hai

Ammaa, ammaa, tu kahaan gai ammaa
Bachapan meraa rotaa hai

Bhagawaan ne duniyaa ke
Dukh dard hame baante
Naino me bhare aansu
Aur paanvo me kaante
Meri ujadi hui bagiyaa
Meri dard bhari duniyaa
Hamane na kabhi dekhaa
Sukh kaisaa hotaa hai
