

Chalo chalo amrikwa  
 Chalo chalo amrikwa  
 Oh tau ram ram aye band kar  
 Aye bola na band kar ha good evening fox  
 Aye mai sal bhai saab taygi for merath  
 Now i will rock with my deshi lath  
 Re maare band ka introduction bhi sunale  
 Je hai aanand prakash je bajaya kare dhol  
 Aur je hai kisanlal bichhuu  
 Je badi cheese hai batayega na bhai  
 Aur baki hai re choras, je rabadi, imarati,  
 Hai naam na bataye pappu ki amma hai  
 He chalo re suru ho jao  
 Dekho main sunata hu amrika ka hiphop,  
 Ho jai mata di, let' s rock

Amerika ki sunalo kahani  
 Desi tadka deke sunao o ae o ae  
 White house ki dekhlo tanne  
 Color wali photo dikhau o ae o ae  
 Jo bal vich duniya ban gayi  
 Amrika ban gaya hai tau  
 Amerikawa ne amerikawa ne  
 Lut liya hamra sukh chain  
 Amerikawa ne lut liya hamra sukh chain  
 Are sote jagate ekahi sapna  
 Are sote jagate ekahi sapna, dekhu din rain  
 Amerika jana hume amerika jana  
 Amerika jana hume amerika jana  
 Obama...obama...,  
 Obama...obama...  
 Are bush n bill went up the  
 Hill n show their power  
 Lekin thodi gadbad ho gayi  
 Gharame gir gaya tower

Ho sapna bola man me chaai  
 Kaise khayega saag hara  
 Are mcdonald ko burger  
 Khale pet rahega bhara bhara

Levis ki jeans pehenle aur pepsi ki bottle pee  
World bank se loan dilade byaj karade tera free  
Palat me sare tel ke dibbo uska kabja chalta jee  
Amerika batlayega tanne kaise maro aur kaise jee  
O re bhaiyya ab kya kahe amerika sab dukh ki na
