

Mera hain mera badan hain badan hain  
Gulabi gulabi gulabi  
Meri hai meri ada hain ada hain  
Sharabi sharbi sharbi  
Aankho se piyo hotho se churalo  
Aankho se piyo hotho se churalo  
Pyar ki masti badhti jaye nasha ho na kam  
Anandam anandam anandam anandam  
Anandam anandam anandam anandam  
Mera hain mera badan hain badan hain  
Gulabi gulabi gulabi

Sine mein utha hain tufa sanso ka  
Bahka bahka mausam aaya armano ka  
Sine mein utha hain tufa sanso ka  
Bahka bahka mausam aaya armano ka  
Mahfil mein hain aisa koi deewana  
Aaye dale ghera apni baho ke  
Sajke sajake har phool se bani hoon  
Ha phool si khili hoon  
Aankho se piyo hotho se churalo  
Aankho se piyo hotho se churalo  
Pyar ki masti badhti jaye nasha ho na kam  
Anandam anandam anandam anandam  
Anandam anandam anandam anandam  
Mera hain mera badan hain badan hain  
Gulabi gulabi gulabi
