Inbangal aayiram aayiram  
Thottil aagudhu maanudam  
Thithipaaguthu aazhmanam  
Thittam illaa oru kaaranam

Naalai thookki thenil thoythathaar  
Naazhi meedhu kolam jaar  
Paalai meedhu paalai vaarthadhaar  
Neela vaanin paalam jaar

Poovaitaan nilaavil iraitthaan  
Thadaaga keetрил neendhi ponen  
Meenaithaan nilaavil iraitthaan  
Nilavalli thindru vinmeen aagiren

Anbaare en vazhiyil sernthavare  
Anbaare punnagaigal sernthavare  
Anbaare perunthile paattivare  
Anbaare sannal vazhi kaatrivare
