

Aandaaz bahakne lagte hain
Aandaaz bahakne lagte hain
Baato mein shrart hoti hain
Aankho se pata chal jata hain
Jis dil mein mohabbat hoti hain

Aandaaz bahakne lagte hain
Aandaaz bahakne lagte hain
Baato mein shrart hoti hain
Aankho se pata chal jata hain
Jis dil mein mohabbat hoti hain

Jab tum se haseen ka aanchal bhi
Lahraye surur aajata hain
Parwane hawa mein udte hain
Mausam ko bhi harat hoti hain
Jab tum se haseen ka aanchal bhin
Lahraye surur aajata hai
Parwane hawa mein udte hain
Mausam ko bhi harat hoti hain
Ye dono jahan ki amant hain
Ye pyar koi aasan nahin
Ye jinko bhi mil jata hain
Ye unki kismat hoti hain

Jab mere karib aajate ho
Kya jane kya ho jata hain
Kuchh waqt to mere sanam
Kis baat ki chaht hoti hain
Jab mere karib aajate ho
Kya jane kya ho jata hain
Kuchh waqt to mere sanam
Kis baat ki chaht hoti hain
Jo pyar kisi se karte hain

Wo apni murade pate hain
Mabub mere dil walo ki
Chaht hi ibadt hoti hain
Aandaaz bahakne lagte hain
Baato mein shrart hoti hain

Aankho se pata chal jata hain
Jis dil mein mohabbat hoti hain.
