

Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye
Are baap yeh apun jaise bol rehla hai yaar
Yeh jhimpa chika, jhimpa chika

Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye
Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye
Warna mar jaayega, kuchh na kar paayega
Kehta reh jaayega haay haay haay haay
Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye

Aaj milan kal duri, har chaahat hai adhuri
Kab hogi diljaani puri prem kahaani
Pyaar se badhake yahaan hai kayi aur bhi ghum
Na mohabbat se badi koyi bhi cheej sanam
Chhodo bhi jaane do jaane do jaane do
Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye
Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye

Manjil tak hai jaana, ik waada hai nibhaana
Tere saath rahungi tere dard sahungi
Raah kaanton se bhari, mushkilon mein hai kadam
Yeh iraadaa hai kiya haar maanenge na hum
Toh chalo toh chalo deewaano toh chalo
Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye
Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye
