

Andham Vadi Choopera Song Lyrics

Andham vaadi choopera
Love tune ye meetera
Thaane chentha cheraada
Manassantha maareda

Thanuvella athade athade
Niliche nadiche thana kalalalone
Maru mukhamu raadhe
Anakuve athade athade
Alala kadhile thana navvulone
Are chindhe andhaale

Puvvole manasu aagunna vayasu
Papamga choodu girlse
Padhaapu merupu maaraju nadaka
Class aina master massu
Pattasu choopu paddadho chalu
Fail aina heart bossu
Single news-u idhi manchi chance-u

Andham vaadi choopera
Love tune ye meetera
Thaane chentha cheraada
Manassantha maareda

Andham vaadi choopera
Love tune ye meetera
Thaane chentha cheraada
Manassantha maareda
Oooh
Love tune ye meetera

Thanuvella athade athade
Niliche nadiche thana kalalalone
Maru mukhamu raadhe
Anakuve athade athade
Alala kadhile thana navvulone
Are chindhe andhaale

Snehana meti matemo sooti
Lerassalevvaru poti
Magnettu choopu vadentho sharpu
Yenaadu masteru top-u
Yedho o poweru yedho o pogaru
Yeppudu untadhi chudu
Solo ga vasthe
Emauno girlsu
