

Angel my angel
Angel my angel
My sunshine my star
Hello there who are you
Kuch hone laga pahli baar
Chura liya hai dil mera
Mila ke ek nazar
Ke khincha chala main
Aa gaya i think
I am falling in love
Chura liya hai dil mera
Mila ke ek nazar
Ke khinchi chali main
Aa gayi i think
I am falling in love

Simple si teri adaye
Rijhaye mujhe
Jagaya krengi
Mujhe rat bhar ajse
Milne mai aungi
Khwabo ke raste tujhe
Nindo me rakhna
Tu khidki zara khol ke
Hai dil ki bas ek tammanna
Sapno me ho roj milna
Thoda sa thahro abhi to
Dil ko sikhao sambhalna
Chura liya hai dil mera
Mila ke ek nazar
Ke khinchi chali main aa gayi
I think i am falling in love

Waise to dekhe h
Maine nazare kayi
Magar do jahan mein
Nahi koi tujhsa hasi
Kya kah diya tune main
Hosh mein ab nahi
Pairo ke neeche nikalne

BHARAT
lyrics

Lagi hai zameen
Mai bhi hua hu deewana
Muskil hai dil ko manana
Ankho ne sab kah diya
Hab or kuch na sunana
Chura liya hai dil
Mera mila ke ek nazar
Ke khincha chala main aa gaya
I think i am falling in love

Angel angel i am your angel
You are sunshine you are star
Hello there mujhe bhi
Kuch hone laga pahli baar.
