

Anhad naad jaga de, jaga de
Anhad naad jaga de, jaga de

Har jagah maujood hai
Par tu nazar aata nahin
Anhad naad jaga de, jaga de..
O ho..tera bhed koi kaise paata nahi..

Tu kaun hai bol
Ye bhed toh khol
Aye ji anhad naad jaga de, saaiyaan
Anhad naad jaga de
Jaga de mere mann ke chor
Main dhoondhun tujhe gali gali
Main dhoondhun tujhe chaaron ore

Oo..mere mann ke chor
Aa..mere mann ke chor
Aa..
Aye ji anhad naad jaga de, saaiyaan
Anhad naad jaga de
Jaga de mere mann ke chor
Main dhoondhun tujhe gali gali

Jab dhol bajje aur khet sajje
Angdai leke subah jage,
Tu wahin kahin tha
Gal baiyan daare phool phool
Tere saath hanse the jhool jhool

Hain bargat neeche pairi dhooni
Chhan chhan aaye noor tera
Har paati par ho...
Barse tera roop jhhama jhham
Chaaron pehar..
Main ankhian meeche
Tere piche aaun jaise
Koi..kinche dor

Aye ji anhad naad jaga de saaiyaan
Anhad naad jaga de

Jaga de mere mann ke chor
Main dhoondhun tujhe galli galli

O..ho..o..ho..
Anhad naad jaga de, jaga de
Anhad naad jaga de, jaga de

Har dagar-dagar, har paath-paath
Chal rahi teri baat-baat
Tu dariya-dariya..

Har bhawar-bhawar, har lehar-lahar
Har dhoop-chaanv, har sham-sehar
Tu sehra sehra..

Har aaj mein tu..
Har kal mein tu..
Har aahat mein,
Halchal mein..tu..

Har jog mein tu, sanjog mein tu
Main tujh mein aur mujh mein tu
Ab chaahe jitna mere mitwa aaja
Aaja jhak jhhor..jhhor..

Anhad naad jaga de
Aye ji anhad naad jaga de saaiyaan
Anhad naad jaga de
Jaga de mere..

Anhad naad jaga de, jaga de re
Anhad naad jaga de
Anhad naad jaga de, jaga de re
Anhad naad jaga de
Anhad naad jaga de
Jaga de mere mann ke chor
Anhad naad jaga de
Jaga de mere mann ke chor, ho..
Anhad naad jaga de.
