

Sunke bhi naa, sun'na hai
Mujhko tujhse bach ke rehna hai
Mushkilon mein padhna nahi hai ab mujhe
Bas apni raahon pe chalna hai mujhe
Haan!

Awaaz nahi, tu hai mera ek fitur
Chhod de mujhko, chhod de tu!
Rehna tu mujhse door
Dil ke jo kareeb hain wo paas hai mere
Sadaa na de mujhe na aau paas main tere
Ye hai meri duniya
Nahi khona hai isko
Kyun sanan-sanana sadaayein de bulaaye tu?
Anjaan jahaan
Anjaan jahaan

Anjaan jahaan !

Chahti hai kya?
Kyun neendein churati hai?
Ho na jaaye koi galti
Mujhe kyu satati hai?

Ya bechaini hai kya tujhme bhi aisi?
Kya dil mein hai, halchal kuch mere jaisi?
Haan is dil mein jo daba hai
Wo badhta hai junoon!

Dar hai tujhko paa ke khud ko kho naa du!
Hai anjaan jahaan
Anjaan jahaan
Anjaan jahaan

Hoo..
Tu kya hai?
Tu kahaan hai?
Tu Kyun hai?
Tu jahaan hai
Aa..!
